METHODIST BISHOPS -The death of Bishop Kingsley, which occurred recently at Beirut, leaves two vacancies in the roll of Bishops of the Methodist Episcopal Church, to be filled by the next general conference of that body. Bishop Kingsley and the late Bishop Thompson were both elected to their high office at

the same time, -in 1864. In the death of these two eminent divines and that of Dr. McClintock, their church and the religious world have sustained such losses as they have seldom been called upon to deplore in a single year. Of the whole board of Bishops only five working members are left-Bishops Morris and Baker being on the retired list,-and the vacancies thus made cannot be filled until the next meeting of the general conference, which does not take place until May, 1872. - Wash. A lady in Indiana, with hair ten feet long, receives \$10 per week for merely sitting in a hair dresser's shop as a show.

The tunnel under the Thames, between Tower Hill and Tooley street, London, has just been completed and opened to the public. It cost only \$80,000, a striking contrast to the sums expended by Brunel in building the tunnel un der the Thames between Rotherhithe and Wapping, and which was twenty years in building.
